

PSC NO: 121 ELECTRICITY
NEW YORK STATE ELECTRIC & GAS CORPORATION
Initial Effective Date: 01/01/2021

Leaf: 38
Revision: 7
Superseding Revision: 5

SERVICE CLASSIFICATION NO. 2 (Cont'd.)

TERM:

Five years from the initial rendering of service, including service previously rendered under contract, and thereafter until terminated on 120 day's written notice by either the Company or customer.

If the customer requests removal of a facility from service, the Monthly Maintenance Charge the customer pays the Company shall be reduced in accordance with the rates specified for each such facility removed, as of the removal date of said facility. However, if the equipment is Company owned the customer shall reimburse the Company the original cost, less accrued depreciation and net salvage (cost of removal less salvage) of such facility, as determined by the Company.

SPECIAL PROVISIONS:

- A. The Customer shall notify the Company of the number, size, type and location of luminaires and other facilities initially to be served hereunder, and may at any time thereafter, upon reasonable written notice to the Company, specify (a) additional locations of luminaries and/or other facilities, or (b) removal of luminaires and/or facilities. Upon acceptance of the application the Company shall, within a reasonable time after receipt of written authorization from the customer, install facilities to provide service, or remove facilities from service. The Company shall not be obligated hereunder to serve additional luminaires in locations where electric service may not be readily available.

The Customer shall be responsible for maintaining appropriate property and other records of the facilities and equipment owned by the Customer. The Company shall be notified in writing on Customer letterhead by the Customer before any change is made to the Customer's facilities or equipment.

- B. If in the sole opinion of the Company, facilities maintained by the Company become subject to vandalism, the customer shall be required to reimburse the Company for all maintenance costs incurred as a result of vandalism.
- C. The Company reserves the right to discontinue service to any equipment owned by the customer which in the opinion of the Company shall have become unsatisfactory for further service for any reason. Neither by inspection nor non-rejection, nor in any other way, does the Company give any warranty expressed or implied, as to the adequacy, safety, or other characteristics of any structures, equipment, wires, conduit, appliances, or devices owned, installed, or maintained by the customer, or leased by the customer from third parties.
- D. Budget Billing:
Customers may, by signing an application, be billed monthly in accordance with the plan set forth in Section 4-P of P.S.C. No. 119 - Electricity or superseding issues thereof.
- E. Customers may install a Company-approved in-line disconnecting device for existing locations of luminaires. Installation of a Company-approved in-line disconnecting device shall be required for any new locations for luminaires to be served hereunder.
- F. New York Power Authority ("NYPA") Program to Contribute to Existing Economic Development Customers and Serve New Governmental Entities

Participants in the NYPA Program shall be subject to the otherwise applicable standard service classification rates, including the Transition Charge (Non-Bypassable Charge), Bill Issuance Charges, if applicable, in accordance with the standard ESS rates for this Service Classification. All customers are also required to pay the System Benefits Charges, and Rate Adjustment Mechanism in accordance with the standard ESS rates for this Service Classification.
