Except as described below, the RDM Adjustment for each group will become effective in the second calendar month following the end of the twelve month period for which the RDM adjustment is calculated and will be recovered over a twelve month period. RDM adjustments by group will be shown on the Statement of Revenue Decoupling Mechanism Adjustment. The Company will file such Statement with the Public Service Commission no less than two working days prior to the start of each twelve-month period that the RDM Adjustment is to be in effect (and no less than two working days prior to any change in the RDM Adjustment as set forth herein).

All refunds or surcharges billed to customers through the RDM adjustments shall be subject to reconciliation at the end of each reconciliation period.

Any Interim RDM Adjustment will be determined based on a twelve-month recovery period and resulting higher or lower revenues will be included in the annual RDM reconciliation.
