 SUPERSEDING REVISION: 6

## GENERAL INFORMATION

### 17. ADJUSTMENT OF RATES IN ACCORDANCE WITH CHANGES IN THE COST OF PURCHASED GAS: (continued)

#### 17.3.8 Monthly Imbalance Surcharge or Refund

A monthly imbalance surcharge or refund will be implemented, as required, from October 1<sup>st</sup> through July 31<sup>st</sup> to minimize projected year-end under-collections or over-collections of the Monthly Cost of Gas for customers taking Gas Supply Service under Service Classification Nos. 1, 2, 5, 7, 8, 12 and 13.

#### 17.3.9 Load Factor:

The Average Demand Cost of Gas as defined in Rule 17.3.4 shall be further adjusted for load factor. These factors shall be updated by the Company annually by using the most recent four-year average ratio, and set forth on the Statement of Load Factor Ratios to be filed with the Public Service Commission apart from this rate schedule not less than thirty (30) days prior to December 1<sup>st</sup> of each year.

Initially, the Statement of Load Factor Ratios for SC 5, 7, and 8 sales will be developed by using the forecasted volumes and each subsequent filing date by using actual volumes once the data is available.

Except for the Statement of Load Factor Ratios effective July 1, 2021, each Statement of Load Factor Ratios will be filed by the Company not less than thirty (30) days prior to December 1<sup>st</sup> of each year.
