SPECIAL PROVISIONS:

H. **Waiver of Reactive Demand Charges for Wholesale Generators Larger Than 25 MVA and With Automatic Voltage Control:** For customers who operate a Wholesale Generator in larger than 25 MVA and install automatic voltage control (AVC) at their facilities, reactive demand charges shall be waived, within the parameters defined by the Company during the period in which such AVC is operating and maintained in good working order. The Company shall not waive start-up reactive demand charges. The initial parameters will be determined by the Company and may be changed subject to system conditions and location of the generating unit. The waiver is subject to the Company's rights to periodically review and approve the customer's AVC system and review its operation and performance for compliance with the system requirements.
