STANDBY SERVICE (Cont'd)

MARKET PRICE CHARGE AND MARKET PRICE ADJUSTMENT

Effective October 1, 2011 all interval metered customers whose Parent Service Classification is S.C. No. 2 with demand exceeding 500 kW in any two of the previous twelve months (as measured semi-annually for the twelve months ending June and December, but initially for the twelve months ended August 31, 2009) and electing to purchase their energy requirements from the Company will be billed for these requirements based on the charges set on an hourly basis according to the market price of electricity described below. Effective October 1, 2012 all customers with demand exceeding 300 kW in any two of the previous twelve months (as measured semi-annually for the twelve months ending June and December, but initially for the twelve months ended June 30, 2010) and electing to purchase their energy requirements from the Company will be billed for these requirements based on the charges set on an hourly basis according to the market price of electricity as described below. All other interval metered customers whose Parent Service Classification is S.C. No. 2 may elect to purchase their electricity requirements from the Company pursuant to the provisions of the Hourly Pricing Provision as described in Special Provision 2.11 of Service Classification No. 2. Customers whose Parent Service Classification is S.C. No. 3 or 13 and who elect to purchase their electricity requirements from the Company will be required to make these purchases pursuant to the provisions of the Hourly Pricing Provision as described in Special Provisions 3.8 and 13.9 of Service Classification Nos. 3 and 13, respectively. The provisions of the Company's Market Price Charge and Market Price Adjustment, as described in General Information Section 29, shall apply to all other electricity provided and sold by the Company under this Service Classification, and shall be based on Parent Service Classification designation. Customers participating in the Retail Access Program, as described in General Information Section 35, shall not be subject to these charges.

MERCHANT FUNCTION CHARGE

The Merchant Function Charge, as described in General Information Section 36.E, shall apply to all electricity delivered under this Service Classification.

OTHER CHARGES

Customers taking service under this Service Classification may be subject to other rates and charges as applicable according to the provisions of the General Information Section of this rate schedule.

INCREASE IN RATES AND CHARGES

All rates and charges billed under this Service Classification, including the Minimum Charge, and other charges pursuant to the General Information Section (as applicable), shall be increased pursuant to General Information Section 30 to reflect the tax rates applicable within the municipality where the customer takes service.

MINIMUM CHARGE

The Customer Charge plus the Contract Demand Charge, and any non-bypassable charges pursuant to the General Information Section of this rate schedule. In addition, effective October 1, 2011, customers whose Parent Service Classification is S.C. No. 2 with demand exceeding 500 kW in any two of the previous twelve months (as measured semi-annually for the twelve months ending June and December) and effective October 1, 2012 all customers with demand exceeding 300 kW in any two of the previous twelve months (as measured semi-annually for the twelve months ending June and December, but initially for the twelve months ended June 30, 2010) will be assessed an incremental monthly charge as set forth in Special Provision 2.11.
