Inadvertent contact with buried gas lines, cables or other utility lines can cause injury to workers and disrupt service to entire neighborhoods. Help avoid unnecessary system damage and prevent emergencies before they happen.

Remember to CALL 811, the nationwide "Call Before You Dig" number.

It is the responsibility of the property owner to clearly mark-out (identify) the location of all customer owned buried equipment including but not limited to, electrical equipment, wires, cables and pipes, sewer and septic equipment, water and drainage equipment.
