LEAF: 181

COMPANY: THE BROOKLYN UNION GAS COMPANY

REVISION: 11

INITIAL EFFECTIVE DATE: 07/01/17

SUPERSEDING REVISION: 10

STAMPS: Issued in compliance with Order in Case 15-G-0185 dated June 16, 2017

**SERVICE CLASSIFICATION No. 5A - Continued****F. Contract Addenda:**

Summaries of individually negotiated service agreements with Customers taking service under Rate Schedule 2 of this service classification will be available as contract addenda to this service classification.

**G. Annual System-Wide Test:**

The Company will conduct an announced annual system-wide test of Customers' compliance under this Service Classification at the beginning of the heating season. The Company will conduct an unannounced system-wide test of Customers' compliance under this Service Classification at the end of each January. The January test will waive penalties for customers that incur an equipment failure as long as the customer provides supporting documentation.

**H. Customer Failure**

Each time the Company becomes aware that a Customer has failed to interrupt gas service when it was notified to do so, except for the permitted two therms per hour, will be considered a separate violation of the requirements of this Service Classification. The Customer will be notified of each violation. However, should a customer fail to switch to its alternate fuel during another interruption within 48 hours of a previous interruption, the customer will not assessed a violation. For any two violations during a winter period (November through March), including any violation during the annual system-wide test the Customer will be notified that it has violated the requirements of the tariff and the following will apply:

For sales Customers, effective as soon as practicable but no later than the second billing period following notice of the second violation, and for transportation Customers, effective as soon as practicable following the notice, such Customers will be transferred to the equivalent firm service classification unless (i) the Company has been notified in writing that the Customer has chosen to terminate gas service or (ii) the Customer has been notified that the Company has determined in its sole discretion that it can not provide firm service to the Customer, and service will be terminated in thirty (30) days. Such Customers transferred to firm service are required to remain on firm service for the remainder of that winter season and through the end of the next winter season. Such Customers who have either elected to terminate service pursuant to (i) above, or whose service has been terminated pursuant to (ii) above, may not return to service under this Rate Schedule for the remainder of that winter season and through the end of the next winter season. After that time, a Customer becomes eligible to re-apply for any non-firm service.
