delivery service and the Marketer commodity service, in accordance with Commission regulations on termination of non-residential service, provided the Customer has failed to make full payment of all amounts due on the consolidated billing and the Marketer has furnished an affidavit to the Company that the Marketer has notified its non-residential Customer that Con Edison is permitted to disconnect service under such circumstances. The Company will terminate service to an SC No. 20 Marketer in accordance with the UBP.

**(B) Notice, Days and Hours:** A final notice of termination of service shall be sent to:

- (1) Residential Customers in accordance with applicable Public Service Commission rules.
- (2) Non-residential Customers no less than 20 days after the date payment was due, or the date given in a written notice to cure a tariff violation as provided in applicable Public Service Commission rules, or where the reason for the notice is failure to provide access, except that a final notice of termination for non-payment may be sent on or after the date payment was due in cases involving failure to pay for unmetered service supplied through tampered equipment, failure to pay an installment amount due under a deferred payment agreement, or if the Company has accepted a written waiver of the Customer's right to a 20 day notice, in lieu of a deposit, all as more fully described in, and in accordance with, the Public Service Commission's rules. Service may not be terminated until at least 5 days after personal service or 8 days after the mailing of a final notice of termination of service. Service may be terminated between 8 A.M. and 6 P.M. Monday through Friday, except on public holidays as defined in the General Construction Law, days on which the service centers of the Company are closed for business, and days on which the Public Service Commission is closed. However, on days preceding days on which service may not be terminated, termination may only occur after 3 P.M. if the Customer or any person in charge of the premises is informed prior to termination in a personal contact that termination is about to occur and the Company is prepared to accept a check for any payment required to avoid termination.
- (3) Either a residential or non-residential Customer at least 15 days prior to the disconnection date shown on the notice, a copy of which the Company will provide to the Office of Consumer Services, who fails to pay the \$100 charge for denying access to perform a leakage survey and/or atmospheric corrosion inspection, as described in General Information III 8(C)(2), or has paid the \$100 charge but the Customer or access controller continues to prevent access to the premises. The notices of termination are provided in this section.
