**SERVICE CLASSIFICATION NO. 16**

**INTERRUPTIBLE TRANSPORTATION SERVICE (Cont'd)**

**SPECIAL PROVISIONS - ALL CUSTOMERS: (Cont'd)**

- B. Customer's equipment supplied hereunder should have an alternative source of fuel, however this requirement may be waived by written permission of the Company. The Company reserves the right to conduct an on-site inspection of the Customer's alternate fuel facilities at any time to determine whether the equipment is properly installed, maintained, functioning and capable of serving the Customer's energy requirements at a level equivalent to that of the natural gas provided under this Service Classification. Equipment supplied under this Service Classification, may be transferred to an applicable firm Service Classification with the written permission of the Company. However, any such equipment cannot be resupplied under an interruptible Service Classification prior to the elapse of a minimum period of one year.
- C. The quantity to be billed under this Service Classification is the quantity delivered to the Company less the allowance for losses, in accordance with General Information Rule 10 of this Schedule.
- D. Daily imbalances, underruns and overruns under this Service Classification shall be calculated and reconciled as set forth in General Information Rule 10 of this Schedule.
- E. The quantity billed under this Service Classification for Interruptible Transportation Service shall be credited towards the minimum provision under the otherwise applicable interruptible sales schedule. Any deficiency shall be billed at the price as set forth on the Interruptible Gas Transportation Rate Statement.
- F. Customers taking service under this Service Classification shall be required to install daily metering equipment, at the Customer's expense, and have a dedicated telephone line available as set forth in the Gas Transportation Operating Procedures Manual.
- G. The Company may, at its sole discretion, adjust the prices charged customers that are exempt from the Petroleum Business Tax (PBT), imposed by Article 13-A of the New York State Tax Law. Such adjustments shall be made on a non-discriminatory basis, such that, PBT-exempt Customers within the same rate area and rate category receive the same PBT adjustment.
- H. At the conclusion of the term of Agreement hereunder, except the initial term, the Customer may pay for any deficiency in deliveries from the minimum eligible quantity, at the Customer's applicable price for the last month of the term, and remain eligible for service under this Service Classification. Such initial term shall be two years.
- I. The Company shall implement daily communication with each interruptible customer facility location via email, text messages, fax or phone call. See the Company's GTOP Manual for specific details. Additionally, the Company shall communicate with each interruptible customer facility location at the end of every interruption to remind customers to replenish alternate fuel inventories as needed to maintain minimum levels.
