GENERAL INFORMATION

1. DEFINITIONS AND ABBREVIATIONS: (continued)

Residential Customers: Any person who, pursuant to an application for service made by such person or a third party on his/her behalf, is supplied directly by the Company with gas service at a premise used in whole in part as his/her residence where:

1. The Company's effective tariff specifies a residential rate for such service, provided however that no person who requests or is supplied service to an entire multiple dwelling or for the common areas of a multiple dwelling, as defined in the Multiple Dwelling Law or the Multiple Residence Law, shall be considered a residential applicant or customer;
2. Such service will be or is primarily used for his/her residential purposes, and the applicant or customer has so notified the Company; or
3. The Company knows that any of such service will be provided through a single meter to both units of a two-family dwelling; or
4. Such person was a residential customer of the Company within 60 days of making the request, was not terminated for nonpayment, meter tampering or theft of services and has moved to a different dwelling within the Company's service territory, so long as such person remains a residential customer as defined in the preceding subparagraphs.
5. A Residential Applicant is any person who requests gas service to a premise to be used at his/her residence or the residence of a third party.
6. Residential Heating Customer means a residential customer that uses natural gas for space heating.
7. Residential Non-Heating Customer means a residential customer that does not use natural gas for space heating.

SC Nos. 1, 2, 12 and 13: Unless otherwise specified in this tariff, references to these service classes are applicable to both sales and transportation (delivery only) customers.

Service Line: Piping, including associated metering and pressure reducing appurtenances, that transports gas below grade from a main or transmission line to the outlet of the customer meter or at the connection to a customer's piping, whichever is further downstream where a meter is located within the building; if a meter is located outside the building, the service line will be deemed to terminate at the outside of the building foundation wall.

Surcharge: A charge payable by customer to Company, in addition to the charge for gas under the applicable service classification, pursuant to the provisions of Rule 10.
