**GENERAL INFORMATION****13. SERVICE CLASSIFICATION RIDERS (Continued)****RIDER D (Continued)****DIRECT LOAD CONTROL PROGRAM****APPLICATIONS**

Applications to participate under this Rider may be made throughout the year either electronically or in writing.

**COMPANY PROVIDED THERMOSTAT (CPT) OPTION**

Customers will receive a Control Device from the Company at no cost. The Control Device will become the customer's property upon installation.

**BRING YOUR OWN THERMOSTAT (BYOT) OPTION**

Customers who enroll a Control Device in the program through a Service Provider will receive a sign-up payment of \$85, either by check, gift card, or credit card refund at the Company's discretion, after the Company has confirmed the Company's ability to communicate with the Control Device.

Starting with the second Summer Period (defined hereunder as May 1 through September 30) in which the customer participates, the customer will be eligible for an annual incentive payment of \$25, payable by check or gift card at the Company's discretion, after each Summer Period in which the Company can verify that the customer allowed the Company to control the Control Device for no less than 80 percent of the aggregate number of Event hours declared by the Company during that Summer Period.

**RESTRICTIONS**

This program is available to participants in Rider L, but not to customers who participate, either directly or indirectly through a third party or under any other Company or NYISO demand-response program (e.g., the NYISO Special Case Resources Program or the Company's Rider E and Rider F).
