GENERAL RULES

20. Standby Service - Continued

20.2 Interconnection and Operation - Continued

20.2.1(B)(7) – Continued

A change to the Customer's low tension account must be requested between February 1 through March 1 or August 1 through September 1 of each year. Such changes will be effective for bills issued with a "from" date in May or November, respectively.

The request must be made by submitting a revised "Application for Net Metering or Standby Service and/or Buy-Back Service" set forth in Application Form G in the General Rules.

The Customer's active low tension account must complete at least 12-months of service under General Rule 20.2.1(B)(7).

No credits will be applied if the Customer ceases to have a low tension account or ceases to own or operate the generating facility. If the Customer's low tension account is closed, its credits will be forfeited unless the Company receives a new Application for Net Metering or Standby Service and/or Buy-Back Service within 30 days of the account's closure.
