## GENERAL INFORMATION

### 13. SERVICE CLASSIFICATION RIDERS (Continued)

#### RIDER J (Continued)

#### SMART HOME RATE

#### CHARGES (Continued)

(C) Charges Applicable to Rates I and II

For both Rates I and II, all usage under this Rider shall also be subject to Parts (3), (4), (5), (6), and (8) of RATES – MONTHLY of SC No. 1. In addition, the Delivery and Supply Charges and rates of the SHR will be increased pursuant to General Information Section No. 19.

#### COMMON PROVISIONS APPLICABLE TO ALL RATES UNDER THIS RIDER

A price guarantee is a feature that will be provided to certain participants in the SHR that are not being provided with a battery storage system. These customers will receive the price guarantee for the first twelve-month period of the SHR. Under this price guarantee, the customer will receive a credit following the first twelve-month period of the SHR for the difference, if any, between what the customer paid under the SHR in excess of what the customer would have paid under their previously applicable SC No. 1 rate over such twelve-month period. The comparison (inclusive of the Increase in Rates and Charges) will be made on a total bill basis.
