

PSC NO: 1 ELECTRICITY  
COMPANY: NEW YORK MUNICIPAL POWER AGENCY  
INITIAL EFFECTIVE DATE: March 19, 2018

LEAF: 96  
REVISION: 0  
SUPERSEDING REVISION:

- c. The feasibility study will identify what, if any, upgrades to the Utility's facilities are required to serve the customer.

#### **C. CUSTOMER COST CONTRIBUTION**

A Customer requesting service under this Rider will be responsible for:

- a. reasonable costs of conducting the feasibility study; and
- b. if the service request necessitates added or enlarged facilities, a reasonable contribution to the cost of adding or enlarging the facilities whenever the customer is unable to give assurance, satisfactory to the Utility, that the taking of the increased service shall be of sufficient duration to render the supply thereof reasonably compensatory to the Utility.
- c. Financial Security: The Customer shall provide financial security in an amount and form acceptable to the Utility for the Customer's payment of the Customer Cost Contribution, and Rates and Charges.

#### **D. RATES AND CHARGES**

Customers served under this Rider will pay the rates and charges applicable to their Service Classification, except as follows:

##### **1. HDL Purchased Power Adjustment ("HDL PPA")**

The energy rates for electric service under this Rider shall be increased per the amount per kWh of the purchased power cost incurred by the Utility to serve all customers under this Rider.
