VI. Service Classification Riders (Available on Request) - Continued

RIDER J

Residential Distributed Generation Rate

(A) Applicability:

To Customers eligible to receive service under Service Classification ("SC") No. 1, SC No. 3, and SC No. 9 Rate A (1) and A (6) in buildings with four or less dwelling units where gas supplied under this Rider is used for the purpose of the operation of a Distributed Generation Facility and for such other purposes as would normally be available under those service classifications.

The Customer must indicate if the request for gas service is for an emergency generator when submitting a Rider J application.

This Rider is available to DG facilities that are not eligible for service under Rider H of this Rate Schedule.

(B) Definitions:

For the purposes of this Rider, the following definitions shall apply:

- (i) **Distributed Generation** represents generating units designed to provide electricity to a single Customer or specific Customers within a defined geographical location.
- (ii) **Distributed Generation Facility** is defined as one or more on-site Distributed Generation units (including combined heat and power applications).
- (iii) **Summer Period** is defined as the period from April 1 through October 31.
- (iv) **Winter Period** is defined as the period from November 1 through March 31.
