SERVICE CLASSIFICATION NO. 20 - Continued**TRANSPORTATION RECEIPT SERVICE (TRS) - Continued****Operational Matters – Continued****(C) Balancing Services - Continued****(7) Managed Supply Service (“MSS”)**

A Marketer serving a Firm Service Classification No. 9 Customer or Firm Small Customer Aggregation Group may elect to take MSS during the period from January 1, 2016 to March 31, 2016 in conjunction with those firm balancing services and WBSS to meet the requirements of its firm Customers. A Marketer must qualify to participate in MSS by having an average day peak month volume greater than or equal to 5,000 Dth/day or selecting an Agent to act on its behalf (who meets that threshold) and by following the delivery protocols as described in the Company’s Operating Procedures.

For a Marketer and/or its Agent electing to participate in the MSS program, the Company will provide to the Marketer or its Agent the Managed Supply Service Volume (“MSSV”) that will be made available as follows:

- a) The Company will determine the total amount of MSS available to qualified Marketers and notify them by November 1, 2015 of their respective MSSV available for the period (January 1 – March 31, 2016). A Marketer may elect its allocated MSSV by notifying the Company no later than December 1, 2015. A Marketer must elect its entire allocated MSSV in order to participate in the program. The Company is under no obligation to provide MSSV to Marketers who fail to notify the Company by the above-specified deadline.
- b) The allocated MSSV, including an amount to be retained as an allowance for losses as set forth on the monthly Statement of Rate for Service Classification No. 9, will be the ratio of the sum of the MDQ’s of the Marketer’s SC No. 9 firm transportation Customers to the total MDQ’s of all the firm transportation Customers taking service under SC No. 9 (excluding Power Generation customers).
- c) For any day on which a participating Marketer or its Agent projects that its customers’ use of gas will be more or less than the combination of its deliveries of gas pursuant to the Load Following Service and purchases of WBSS service, the Marketer or its Agent may designate all or some portion of such over- or under-delivery as MSS gas as set forth in the Operating Procedures.
- d) During the period January 1 through March 31, 2016, the Company shall deliver to the Citygate the Marketer’s subscribed MSSV including an amount to be retained as an allowance for losses based on the Schedule set forth below.

<u>Month</u>	<u>Amount Delivered as a % of Subscribed MSSV</u>
