SERVICE CLASSIFICATION NO. 8 (Cont'd)

PUBLIC STREET AND HIGHWAY LIGHTING (Cont'd)

SPECIAL PROVISIONS

The numbering of the paragraphs hereunder begins with the above service classification number.

- 8.1 In the event that multiple municipalities request replacement of Company Owned lights, no less than 15%, or a lesser amount if requested by the municipality, of the Company Owned lights in any municipality and no less than 25%, or a lesser amount if necessary to satisfy the cumulative requests of the municipalities, of the Company Owned lights in the Company's service territory shall be replaced in any year.
- 8.2 The Company, at the customer's request, will change the type or size of lights at existing locations, install lights at new locations and remove existing lights provided that the design of all new lights and supports must be approved by the Company. If the customer requests the removal of a non-LED light fixture under Rate A for replacement with a LED light fixture under Rate A, or Rate C, it will be the responsibility of the requesting customer to pay for the undepreciated book value associated with the light fixture to be removed. The customer must agree in writing to pay the undepreciated book value associated with the light fixture to be removed and shall have the option to make a one-time payment or make monthly levelized payments, with the interest rate set at the Company's authorized weighted cost of capital in effect at the time of execution of the agreement, over a term not to exceed five (5) years.
- 8.3 The Company shall have the right to remove any Company owned equipment, or to discontinue service to customer owned equipment, which in the opinion of the Company shall have become unsatisfactory for further service by reason of deterioration, civil commotion, state of war, explosion, fire, storm, flood, lightning or any other cause reasonably beyond the Company's control. Replacement shall be limited to equipment considered appropriate by the Company at the date of re-installation.
- 8.4 The Company shall not be obligated to repair or replace in kind any non-standard luminaire. The Company will remove the non-standard luminaire or, at the customer's request, replace it with any standard luminaire offered for service at that time for which the customer will be charged the appropriate rates.
- As a condition of receiving service hereunder, the customer authorizes the Company, insofar as it lawfully may, to trim, cut, remove and to keep trimmed, cut and remove any trees and all other obstructions which, in the opinion of the Company, interfere with or may tend to interfere with the construction, operation and maintenance of the Company's service provided hereunder. Tree trimming required for light distribution on the highway, street and/or sidewalk surfaces is the responsibility of the customer, and shall be done by the customer or at the customer's expense.
