Section 4. If you request Net Metering (Rider R) for your generation – Continued

If you are applying for Remote Net Metering

Residential Customers with Farm Operations and Non-residential Customers may apply for remote net metering if they have solar, wind, micro-hydroelectric, or fuel cell electric generating equipment. The account where the electric generating equipment is located is designated the “Host Account.” The account(s) to which net energy is to be applied is designated the “Satellite Account(s).” The Host and the Satellite Account(s) must be in the same NYISO zone. The Host and Satellite Accounts must also be established in the same Customer name and located on property owned or leased by the Customer.

The Host Account is the account listed in Section 1 of this Application Form. The Satellite Account(s) follow:

Account Name _____

Account # _____

Service Address _____ Borough/Municipality _____

Account Name _____

Account # _____

Service Address _____ Borough/Municipality _____

(Attach a sheet if you have additional accounts.)

Note that you may designate additional Satellite Accounts or remove existing Satellite Accounts once per year, with the new designations to take effect commencing with the January bill issued on the Host Account.

Credits will be applied to the Satellite Account(s) in the order specified in Rider R. Unless you designate otherwise below, all of any net energy credit remaining after being applied to the Host Account’s bill will be applied to the Satellite Account(s)

Percentage of net energy credit to be retained on the Host Account: _____%
(This may be as little as 0%, but no more than 99%.)
