GENERAL INFORMATION**13. SERVICE CLASSIFICATION RIDERS (Continued)****RIDER N (Continued)****NET METERING FOR CUSTOMER GENERATORS****REMOTE NET METERING AND COMMUNITY DISTRIBUTED GENERATION****(A) Remote Net Metering ("RNM")**

Non-residential customers with farm waste, farm wind, solar, Micro-Hydro, wind, or fuel cell generating equipment; or residential customers who own or operate a farm operation as defined in Subdivision 11 (or Subdivision 4 for wind generating equipment) of Section 301 of the Agricultural and Markets Law and locate solar, farm wind, farm waste, Micro-Hydro, or fuel cell generating equipment on property they own or lease, who take service under this Rider will be allowed to apply net energy produced by their generating equipment to other electric accounts subject to the following conditions:

- (1) The account for electric service at the premises where the electric generating equipment is located shall be designated the "RNM Host Account." The account(s) to which net energy is applied shall be designated the "RNM Satellite Account(s)." All RNM Satellite Accounts must be in the in the same NYISO zone as the Host Account and must be located within the Company's service territory as defined in General Information Section No. 1. RNM Satellite Accounts shall be metered, unless the Satellite Account is served under Service Classification No. 4, and shall not take service under Service Classification Nos. 15 or 25.
- (2) The RNM Host Account(s) and RNM Satellite Account(s) shall be established in the same customer name and located on property owned or leased by the customer. The Company reserves the right to require the customer to prove that the properties served by the RNM Host Account(s) and all RNM Satellite Accounts are owned or leased by the same customer.
- (3) The customer shall designate in its initial application for remote net metered service the RNM Host Account and RNM Satellite Account(s) that will be remote net metered. The customer may designate additional RNM Satellite Accounts or remove existing RNM Satellite Accounts once per year, with the new designations to take effect commencing with the January bill issued on the RNM Host Account(s). The customer shall designate whether all or a portion of the net energy credit remaining after being applied to RNM Host Accounts' bills shall be applied to the RNM Satellite Account(s).
