#### GENERAL INFORMATION

#### 41. ADJUSTMENT OF CHARGES PURSUANT TO THE SYSTEM BENEFITS CHARGE

41.3 Customer' loads that are exempt from the SBC under Rule 41.2, may voluntarily elect to pay the SBC on that load, by providing written notice to the Company, thus becoming eligible, if not currently eligible, for the programs mentioned in Rule 41.1. Once a customer voluntarily elects to become subject to the SBC (or to have any exempt load subject to the SBC), such election is irreversible for the duration of time that the Company provides delivery service to the customer. The SBC shall be applied to the customer's total billed kWh on their service bill.

41.4 System Benefits Charge rates will be stated in cents per kWh.

41.5 The System Benefits Charge rate shall be shown on statements filed with the Public Service Commission apart from this rate schedule not less than three (3) days before its effective date. Such statements will be available to the public by contacting the Company's Customer Service Center where applications for service may be made.

41.6 Customers subject to or who elect to pay the SBC are also subject to Rule No. 40-Energy Efficiency Surcharge ("EES") and Rule No. 49-Renewable Portfolio Surcharge (RPS).
