I. Voluntary Participation Option (Cont'd)

3. Payment for Direct Participants and Aggregators Participating in Other Programs
Performance Payments shall not be made under this program if the Direct Participants or Aggregator (on behalf of its customer) receives payment for energy under any other demand response program (e.g., NYISO's Day-ahead Demand Reduction Program or NYISO's Special Case Resources Program) in which the customer is enrolled through the Company during concurrent Load Relief hours with the exception of the Company's Commercial System Relief Program. If a customer taking service pursuant to Service Classification No. 10 participates in the NYISO market through the Company and receives payment for energy during concurrent Load Relief hours, Performance Payments shall be made under this program only for Load Relief in excess of the Customer's CBL, expressed in kWh. Payments shall not be made for energy if service is taken under Net Metering.

J. Reservation Payment Option

1. Applicability
A Direct Participant or Aggregator shall receive Reservation Payments if such Direct Participant or Aggregator agrees in writing to provide Load Relief for no less than four consecutive hours during each designated Load Relief Period up to six designated Load Relief Periods, during the effective Capability Period. For seven or more designated Load Relief Periods, the Direct Participant or Aggregator shall receive payments under the Voluntary Option specified in Section I.
2. Reservation Payments

Reservation Payments shall be made under this Program independent of whether payments are made for capacity under any other program.
3. Bonus Payment
Bonus Hours: Bonus Hours commence in the fifth hour of a Load Relief Period that lasts five or more hours. Payment for Bonus Hours shall be made if the Direct Participant or Aggregator provides Load Relief for five or more consecutive hours during the Load Relief Period, as follows:
The Bonus Payment rate is \$0.30 per kWh for each Bonus Hour of Load Relief provided
4. Performance Payments for Load Relief
The Company shall make a payment of \$0.15 per kWh for each hour of Load Relief provided during the Load Relief Period, excluding Bonus Hours.
