Issued in compliance with Order in Case 14-M-0224 dated 4/21/2016.

**GENERAL INFORMATION****12. CHARGES FOR SPECIAL SERVICES (Continued)****12.3 CHARGES FOR BILL HISTORY INFORMATION**

An ESCO that is authorized by a customer to receive usage and billing information may request and will be provided a statement of the account's usage and billing information as provided in the UBP, which states the period to be covered by the statement that will be provided without charge.

An ESCO which affirms electronically or in writing that has received written authorization from a customer to receive credit information may request and will be provided such information in accordance with the UBP, which states the period to be covered by the statement that will be provided without charge.

The Company will charge \$15.00 per account per year of information when usage and billing information and/or credit information is requested beyond that provided at no charge.

The Company will not disclose customer information to an ESCO if the customer has given advance notification to the Company in writing that such information should not be disclosed.

**12.4 CHARGES FOR OTHER SERVICES**

Charges are made for all other special services rendered, which charges are composed of Company costs of labor, direct supervision, insurance, transportation, applicable overheads on the above, plus repair parts at current list prices.

**12.5 DATA SERVICES FOR COMMUNITY CHOICE AGGREGATION**

Under Community Choice Aggregation ("CCA"), the "CCA Administrator" is either a municipality, as defined in the Commission's Order of April 21, 2016, in Case 14-M-0224 ("CCA Order"), acting on its own behalf or a third party acting on behalf of the municipality. CCA Administrators may request CCA Data Services as described below, subject to the requirements of the Commission as specified in its CCA Order and other Orders as may be issued from time to time. CCA Data Services provided by the Company include: (a) aggregated customer data for the past 12 months for eligible service classifications, by service classification, for classes the CCA Administrator plans to enroll in CCA on an opt-out basis, including the number of eligible electric customers, the aggregated peak demand (kW) by month for demand-billed classes, and aggregated energy (kWh) by month; and (b) customer-specific information, consisting of the customer's name, mailing address, telephone number, account number, and primary language, if available, and any alternate billing name, address, and phone number, for use by the CCA Administrator to execute a CCA opt-out process. Aggregated customer data will not be provided for any service classification having either too few customers or a single customer comprising a large portion of the load, which could provide significant information about an individual customer's usage.
