GENERAL INFORMATION

10. GENERAL RETAIL ACCESS (Cont'd)

5. Metering:

(a) The metering requirements set forth in this Schedule apply here. Customers shall continue to use existing meters.

(b) A Customer that does not take service under an economic incentive provision that requests a meter other than that provided by the Company, commensurate with the Customer's Service Classification, is subject to the additional requirements set forth in this Schedule. Meter upgrades, subject to the availability of equipment, shall be installed and operated by the Company at the Customer's expense.

(c) The Company shall continue to own, install, maintain, and read Customers' meters for billing purposes.

A schedule of meter upgrade charges shall be provided by the Company upon the request of the Customer or its authorized designee. The Company maintains a schedule of meter upgrade charges that covers standard metering options, and such schedule is available upon request.

(d) The Company shall perform meter readings in accordance with established reading cycles and current practices, and provide relevant meter reading information to the ESCO. Information provided to an ESCO may be used solely by the ESCO for the purpose of billing the Customer.
