- 3.1. During the wartime emergency, water service will be furnished by New York American Water Company, Inc., subject to the provisions of orders and the amendments and interpretations thereof, of any competent Federal body having authority or jurisdiction over such service, notwithstanding anything to the contrary in the rules and regulations of this Company and the terms and conditions of service as set forth in this rate schedule.

**R. Public Fire Hydrant Use**

1. No person, except as specifically authorized by the Company, shall take water from any public fire hydrant for any use whatsoever other than for fire purposes.
2. Any public fire hydrant use shall be in compliance with subsection O, Cross Connection.
3. The use of public fire hydrants for streets, cleaning or flushing sewers will not be permitted except upon specific authorization from the Company, and for such uses the municipality or others will be billed at rates set forth in the rate schedule. If water is used from public fire hydrants without specific authorization by the Company, the quantity so used will be estimated and the user will be billed at the rates set forth in the rate schedule.

**S. Installation of Public Fire Hydrant**

1. Requests for the installation of public fire hydrants must be made in writing by an authorized official of the municipality, specifying the exact location of the required hydrant.
2. Where a request is made to change the location or move a hydrant, the entire expense of the work must be borne by the municipality requesting the change.
