SERVICE CLASSIFICATION NO. 2 (Continued)

B. Special Provisions (Continued)

3. Authorization of Additional Facilities

Additional facilities considered standard at the time of the customer's request will be allowed at locations designated by the customer provided the Company, in its sole discretion, can reasonably supply the requested electric service and facilitate the safe operation and maintenance of the requested facilities. The Company may require the customer to make its request on appropriate customer letterhead, including;

- a. A revised Schedule "SL2",
- b. An approved form resolution, as applicable,
- c. A signature by a duly authorized representative of the customer.

Upon completion of field work, the Schedule "SL2" will be appended to the customer's Form "SL2" Contract, Application for Service and applicable billing changes commenced.

4. Change of Existing Company Facilities

The change or conversion of existing facilities for any purpose as requested by the customer will be performed by the Company in compliance with the terms and conditions of "Permanent Discontinuance" for the facilities to be removed and "Authorization of Additional Facilities" for the new facilities installed.

5. Change of Existing Company Luminaires to LED Luminaire Facilities

The change or conversion of existing Facilities to LED luminaires requested by the customer will be performed by the Company in compliance with the provisions below, the terms and conditions of "Permanent Discontinuance" for the Facilities to be removed; and "Authorization of Additional Facilities" for the new LED Facilities to be installed.

5.1 Upon request, the Company will install/replace its in-service Roadway luminaires with LED Roadway luminaires, dependent upon the customer's compliance with the terms and conditions of this tariff, on a first come, first served basis as determined by the Company. The Company's obligation to install/replace in-service Roadway luminaires in any annual period shall be limited to no more than 20% of the Company's currently installed Roadway luminaires. The customer must commit to a conversion of no less than 15% of their currently installed Company Owned Roadway luminaires, or a minimum of 100 of their currently installed Company Owned Roadway luminaires, whichever is greater, per bill account in an annual period.

5.2 The customer must agree in writing to compensate the Company as defined in the Permanent Discontinuance provision. The customer shall have the option to:

- (a) make a one-time payment, or
- (b) make monthly levelized payments with the interest rate set at the Company's authorized pretax weighted average cost of capital in effect at the time of execution of the agreement over a term not to exceed ten (10) years.
