The following information must be submitted along with this application form:

- Three (3) finalized plot plans showing sewer, water, drainage, curbs and utility locations and one (1) certified copy of deed are required for all new construction.
- Load information in kW format for services 300-amp and greater. Loads are to be specified by appliance.

Inadvertent contact with buried gas lines, cables or other utility lines can cause injury to workers and disrupt service to entire neighborhoods. Help avoid unnecessary system damage and prevent emergencies before they happen.

Remember to CALL 811, the nationwide "Call Before You Dig" number.
