The Customer must submit to the Company an application for service under this Rider. The Company shall notify Customers as to when their load may first be offered to the NYISO.
- b) Emergency Demand Response Period Notification

The Company shall notify Customers served under this Rider when the NYISO declares an emergency, in accordance with Attachment G to NYISO's Services Tariff. Notice shall be provided by telephone, e-mail, facsimile and/or other electronic means, as agreed upon by the Company and the Customer. Notification shall occur approximately two hours prior to the need for load reduction by Customers. The Company shall endeavor to provide earlier notification when possible, but shorter notification periods may be necessary.
