GENERAL INFORMATION

37. NET METERING FOR RESIDENTIAL, FARM SERVICE AND NON-RESIDENTIAL WIND
ELECTRIC GENERATING SYSTEMS AS DEFINED IN PUBLIC SERVICE LAW ("PSL") 66-L

37.10.2 To qualify as a satellite account to the host account, the following requirements must be met:

- 1) The satellite account must be designated as premises owned or leased by the host account Customer-Generator and in the same name in the Company's billing system as the host account Customer-Generator.
- 2) Both the satellite account and the host account Customer-Generator must be within the same Company's service territory to which the Customer-Generator's net energy meters are interconnected.
- 3) The satellite account must be in the same load zone as the host account Customer-Generator as of the date of the initial application of the host account Customer-Generator for remote net metering and must remain in the same load zone as the host account Customer-Generator to continue to be eligible to receive excess net metering credits.
- 4) A satellite account cannot be a host account Customer-Generator.

For Residential, Non-Residential Non-Demand (After June 1, 2015 see Rule 37.11.1) and Demand Metered Customers

37.10.3 In the event that the amount of electric energy supplied by the Company during the billing period exceeds the amount of electric energy provided by the host account Customer-Generator to the Company during the same billing period, the Company shall charge the host account Customer-Generator the rates provided in the retail rate schedule applicable to the host account Customer-Generator for only the difference between these two amounts.

37.10.4 In the event that the amount of electric energy provided by the host account Customer-Generator to the Company in any billing period exceeds the amount of electric energy supplied by the Company to the host account Customer-Generator during the same billing period, the host account Customer-Generator shall be regarded as having received no electric energy (in kWh) during that billing period.
