GENERAL RULES

24. Service Classification Riders (Available on Request) - Continued

RIDER J - BUSINESS INCENTIVE RATE

Applicable to SC 9
(Subject to the provisions thereof)

(A) Applicability

To non-governmental Customers eligible for service under SC 9 and meeting the requirements of this Rider.

(B) Business Incentive Rate (“BIR”) Program Components and Availability

- (1) New York City and Westchester Comprehensive Package of Economic Incentives (“New York City Comprehensive Package” and “Westchester Comprehensive Package”): This BIR component is provided to Customers receiving economic development benefits in the form of a Comprehensive Package of Economic Development Incentives in exchange for a long-term commitment to locate, remain, or relocate in the Company's service area pursuant to a contract with state or local authorities.

"Comprehensive Package of Economic Incentives" is defined as: (a) a separately-negotiated comprehensive package of economic incentives of at least five-years' duration conferred by the local municipality or state authorities to maintain or increase employment levels in the service area. Such incentives must include substantial tax or similar incentives, such as an allocation under the Recharge New York (“RNY”) program or the START-UP NY program and/or certification of eligibility for energy rebates under the New York City Energy Cost Savings program (“ECSP”); or (b) low-cost financing conferred by the local municipality, state authorities, the federal government, or entities which are tasked to provide federal financing, stimulus funds, or make similar investments to not-for-profit institutions utilizing space for Biomedical Research (as defined below under the Biomedical Research Program). Customers eligible under both the Comprehensive Package and the New and Vacant Program are considered eligible for the Comprehensive Package only.
