SERVICE CLASSIFICATION NO. 3 (CONT'D)

INTERRUPTIBLE SALES SERVICE (CONT'D)

TERMS OF PAYMENT:

All bills are rendered at the above "unit prices" and that amount is due on bills paid on or before the "if paid by" date shown on the bill. A late payment charge at the rate of 1½% per month shall be billed on all amounts not paid by that date. (Further details can be found in Section 8 of P.S.C. No. 90 Gas, or superseding issues thereof.)

TERM:

The term shall be specified in the Service Agreement.

SPECIAL PROVISIONS - ALL CUSTOMERS:

- A. All sales hereunder shall be subject to interruption, temporary curtailment or discontinuance, and permanent discontinuance, on not less than two hours' notice from the Company and Company shall not be in any way liable for any failure in whole or in part, temporary or permanent, to deliver gas under this service classification. Customers that fail to comply with a notification to interrupt, curtail or discontinue shall pay a charge, in addition to all other prices and charges payable by said customer, of \$2.50 per therm for all quantities consumed in violation of the notification, as determined by the Company.
- A Customer that fails to comply with a notification to interrupt, curtail, or discontinue shall also be subject to the following:
- (a) The addition of one unannounced interruption test at the end of January. A waiver of this test shall be granted for interruptible customers interrupted due to weather within five days of a scheduled January test;
 - (b) A requirement to provide an affidavit attesting to compliance with the Company's tariff, except those customers that have elected to cease using natural gas when directed to by the Company in lieu of maintaining an alternate fuel inventory; and,
 - (c) The contact information for the customer's alternate fuel supplier is required to be included in the affidavit described in (b) above.
- B. Customer's equipment supplied hereunder should have an alternative source of fuel, however this requirement may be waived by written permission of the Company. The Company reserves the right to conduct an onsite inspection of the Customer's alternate fuel facilities at any time to determine whether the equipment is properly installed, maintained, functioning and capable of serving the Customer's energy requirements at a level equivalent to that of the natural gas provided under this service classification. Equipment supplied under this service classification, may be transferred to an applicable firm service classification with the written permission of the Company. However, any such equipment can not be resupplied under an interruptible service classification prior to the elapse of a minimum period of one year.
