GENERAL INFORMATION

37. Community Distributed Generation (Cont'd)

7. Annual Allocation Requests

All excess credits must be distributed in the CDG Host's Anniversary month; credits cannot be carried forward for distribution in a subsequent annual period and shall be forfeited.

The CDG Host may choose to submit a one-time annual allocation request to fully distribute 100% of the credits to its members.

- i. The CDG Host may furnish to the Company an Annual Allocation request no less than 15 days prior to the Host's bill period starting in the Anniversary Month. An allocation is effective for a one-time allocation only and supersedes any other allocation requests for the anniversary month bill period.
 - a. The most recent Allocation Request in effect prior to the Annual Allocation Request shall continue to be applied to all on-going allocations unless a new Subsequent Allocation request is submitted.

If an Annual Allocation Request is not received, allocations shall be made in accordance to the allocation request in effect. Any excess allocated to the Host shall be forfeited.

8. Account Closure

- a. The Company shall require an actual meter reading to close a CDG Host Account or CDG Satellite Account taking service pursuant to CDG.
- b. The Company shall close an account on the earlier of: (a) the first cycle date on which a reading is taken following the requested turn off date, or (b) the date of a special reading, which a Customer may request at the charge specified in General Information Section 16.D.11.(f).
- c. After a CDG Host customer's final bill is rendered, any remaining credit shall not be transferred. A CDG Host with Farm Wind or Farm Waste electric generating equipment shall receive a final cash out at avoided cost.
- d. A CDG Satellite Account shall no longer receive credits after the final bill is rendered on its account. Any remaining credits, after application to the Satellite Account's final bill, cannot be transferred and shall be forfeited.

9. Liability

Notwithstanding any other provision of this tariff, in case the supply of service shall be interrupted or irregular or defective or fail from causes beyond the Company's control (including without limiting the generality of the foregoing executive or administrative rules or orders issued from time to time by State or Federal officers, commissions, boards or bodies having jurisdiction), or because of the ordinary negligence of the Company, its employees, servants or agents, the Company shall not be liable therefore.
