SUPERSEDING REVISION: 1

## **GENERAL INFORMATION**

### **6. INSPECTION:**

Before service is supplied at any location, the customer must provide the Company with satisfactory proof that the piping and associated equipment which has been installed has been inspected and approved by any legally constituted authorities having jurisdiction, and in accordance with the rules of the Company. If additional piping or equipment is installed on such premises, the customer shall secure approval as indicated above and present the Company with satisfactory proof of such approval. The Company, at its discretion, shall have the right to perform reasonable inspections of all piping and associated equipment located on a premises to which gas service is to be or is being supplied.

### **7. SERVICE CONNECTIONS:**

#### **A. Company Property:**

Any appliances or devices furnished at the expense of the Company shall remain its property and may be removed by it at any time on the termination of the agreement or the discontinuance of service.
