**SERVICE CLASSIFICATION NO. 12 - Continued****DUAL-FUEL SALES SERVICE (DFSS) - Continued****Miscellaneous Provisions – Continued****(D) Interruption of Service and Reserve Requirements For Interruptible and Off-Peak Firm Customers - Continued**

Furthermore, any Customer(s) for whom the Company must first install additional facilities in order to render Firm service or where the Customer elects to terminate gas service and additional facilities are required for the provision of ignition fuel only, the Company will establish appropriate arrangements for the installation of such facilities.

In addition to all other remedies available to the Company, the Company reserves the right to discontinue service immediately, temporarily or permanently, to the Customer or to the premises where there is a violation or any failure to comply with any of the provisions of this Service Classification, the Company's Operating Procedures, or this Rate Schedule.

The Customer shall permit Company representatives access to the Customer's premises at any time without prior notice to inspect the Customer's facilities and equipment to:

- (1) determine whether the Customer is using gas during a service interruption or;
- (2) verify the accuracy of the meter, or remote monitoring equipment, or alternate fuel or alternate energy equipment.

This inspection shall not satisfy the Customer's obligation to notify the Company of any condition that would prevent the required interruption of gas service and shall not exempt the Customer from any applicable Charges for Unauthorized Use, and other applicable charges and surcharges.
