GENERAL INFORMATION**13. SERVICE CLASSIFICATION RIDERS (Continued)****RIDER N (Continued)****NET METERING FOR CUSTOMER GENERATORS****REMOTE NET METERING**

Customers with farm waste, farm wind, non-residential solar, non-residential Micro-Hydro, or non-residential wind generating equipment; or residential customers who own or operate a farm operation as defined in as defined in Subdivision 11 of Section 301 of the Agricultural and Markets Law and locate solar photovoltaic, farm wind, farm waste, or Micro-Hydro generating equipment on property they own or lease, who take service under this Rider will be allowed to apply net energy produced by their generating equipment to other electric accounts subject to the following conditions:

- (A) The account for electric service at the premises where the electric generating equipment is located shall be designated the "Host Account." The account(s) to which net energy is applied shall be designated the "Satellite Account(s)." All Satellite Accounts must be in the in the same NYISO zone as the Host Account and must be located within the Company's service territory as defined in General Information Section No. 1. A Satellite Account shall have only one Host Account, and such Satellite Account shall not be a net metered customer-generator nor take service under Service Classification Nos. 15 or 25.
- (B) The Host Account and Satellite Account(s) shall be established in the same customer name and located on property owned or leased by the customer. The Company reserves the right to require the customer to prove that the properties served by the Host Account and all Satellite Accounts are owned or leased by the same customer.
- (C) The customer shall designate in its initial application for remote net metered service the Host Account and Satellite Account(s) that will be remote net metered. The customer may designate additional Satellite Accounts or remove existing Satellite Accounts once per year, with the new designations to take effect commencing with the January bill issued on the Host Account. The customer shall designate whether all or a portion of the net energy credit remaining after being applied to the Host Account's bill shall be applied to the Satellite Account(s).
