**SERVICE CLASSIFICATION No. 7**  
**Interruptible Transportation Service (Continued)**  
**(Rate Codes: 710, 710A, 711, 720, 721, 469)**

**Special Provisions (continued):**

1.Applicable to Interruptible Transportation for Large Volume Non-Residential Gas Customers (continued)

a) Distribution Facilities Allowances (continued):

- (a) (iv) Whenever a new Customer is connected to a main extension for which the Company received Customer contribution(s) within the previous five years, the new Customer shall pay a share of the facilities costs. The original Customer(s) who contributed to the main extension will be entitled to a refund. The refund shall be reasonably allocated among the original Customer(s) in proportion to the length of main used by each served from the main extension, taking into account that portion of facilities which the Company is providing without charge based on the transportation revenues, and adjusted gas revenues from supplemental service from all interruptible Customers or required to provide without charge to each firm Customer, and the share of facilities cost from the new Customer. Whenever more than one Customer is connected to a main extension for which the Company receives Customer contribution(s), all Customer contributions shall be adjusted as to yield to the Company not more than the cost applicable to said extension from all Customers served from the main extension.

The Applicant or the Company may apply to the Public Service Commission for a ruling as to the necessity for, or reasonableness of, any of the above requirements in a specific case.

b) Fuel Use and Loss Allowance:

Charges for gas are applicable to quantities metered at the Customer's metered facilities. As an allowance for fuel use and losses incurred in the process of delivery between the City Gate and the Customer's metered facilities, the Customer shall deliver to the Company at its City Gate a quantity of gas grossed up for UFG.

c) Remote Reading Devices:

A Customer is required to have a remote reading device installed for service under this Service Classification. Customers transferring from a firm service are required to pay, prior to the initiation of service, the cost of the remote device that exceeds the cost of a non-remote meter. A Customer must provide and maintain a dedicated telephone connection point within fifteen (15) feet of the remote reading device and bear all applicable telephone charges for communicating meter usage information to the Company.
