SPECIAL PROVISIONS:

1. The expense of installing additional facilities to accommodate the delivery and metering of transportation gas for the account of the Customer shall be borne by the Customer.
2. Deliveries by or for the account of the Customer will be subject to the availability of sufficient pipeline capacity and will be made against line pressure at a maximum pressure to be designated by the Company from time to time in its sole discretion. Gas to be delivered to the Company shall not be compressed except where specifically permitted by the Company.
3. Gas delivered by the Customer must satisfy the quality specifications set forth in the Transportation Service Agreement. Deliveries must be made at an appropriate Company facility located within the territory described in Section I of the this Schedule, or at another point or points acceptable to the Company.
4. Imbalance rules shall be governed by the terms of SC 19.
5. As allowance for losses incurred in the process of delivery, the Customer shall provide the Company with a volume of gas equal to 2.03% of the amount delivered to the Company.
6. The Company reserves the right to suspend its receipt of gas on behalf of the Customer at any location if it believes that such
