   Single and Three Phase Service:

         Term of Service:
            One month and thereafter until terminated by 48 hours' notice.

         Duration of Service:
            Customers selecting service under this service classification on or after November 17, 1997, must
            remain on this rate for one year before transferring to another service classification. Service under
            this service classification, once terminated by the customer, will be unavailable to said customer at
            the same premises for one year from the date of such cancellation.

SPECIAL PROVISIONS:

   (a)   Multiple Dwellings:

         Two or more individual flats, apartments or dwelling units presently supplied service through one meter
         may be billed under this service classification.

         on the same premises as his residence and takes his entire service through one meter, this classification will
