## GENERAL RULES

### 24. Service Classification Riders (Available on Request) - Continued

#### RIDER U – DISTRIBUTION LOAD RELIEF PROGRAM - Continued

##### C. Definitions - Continued

"Direct Participant" refers to a Customer who enrolls under this Rider directly with the Company for a single Con Edison account and agrees to provide at least 50 kW of Load Relief.

"Electric Generating Equipment" refers to: (a) electric generating equipment that is served under Standby Service, Rider R, or SC 11 and used to provide Load Relief under this Rider; or (b) emergency electric generating equipment that is interconnected and operated in compliance with General Rule 8.2 and used to provide Load Relief under this Rider.

An "Immediate Event" is a Load Relief Period lasting six or more hours for which the Company provides less than two hours' advance notice.

"Load Relief" refers to power (kW) and energy (kWh): (a) ordinarily supplied by the Company that is displaced by use of Electric Generating Equipment and/or reduced by the Direct Participant or Aggregator at the Customer's premises; or (b) produced by use of Electric Generating Equipment by an SC 11 Customer and delivered by that Customer to the Company's distribution or transmission system during a Load Relief Period.

"Load Relief Period" refers to the hours for which the Company requests Load Relief during a Contingency Event or an Immediate Event. Load Relief will not be required of a Direct Participant or Aggregator after 12:00 AM or before 6:00 AM.

"Test Event" refers to the Company's request under the Reservation Payment Option, pursuant to section J.9, that Direct Participants and Aggregators provide one hour of Load Relief on not less than two hours' advance notice.

"Three-Year Incentive Payment" refers to the payment awarded to a Direct Participant or an Aggregator, based on individual customer performance, after the end of the Three-Year Incentive Period. Payment will be awarded if the Performance Factor of the Direct Participant or Aggregator's customer is no less than 80 percent for each Contingency Event, Immediate Event, or Test Event during the Three-Year Incentive Period.

"Three-Year Incentive Period" refers to the three consecutive Capability Periods for which a Direct Customer or Aggregator, for its customer, pledged on its enrollment application to provide Load Relief under the Reservation Payment Option. The three-year pledge must be made prior to commencing participation for the first of the three Capability Periods. If the Performance Factor of a Direct Participant or Aggregator's customer is less than 80 percent for any Contingency Event, Immediate Event, or Test Event during the current Capability Period, the Direct Participant or Aggregator, for its customer, may re-pledge to participate for a Three-Year Incentive Period starting with the next Capability Period.
