SERVICE CLASSIFICATION NO. 12 - Continued
DUAL-FUEL SALES SERVICE (DFSS) - Continued

Rates - Continued

(B) Off-Peak Firm Rate (Rate 2) - Continued

For Customers being served under contracts entered into prior to March 1 2014, until these contracts expire, the rate per therm shall be as follows:

- (1) 8.0 cents per therm for a one-year term of service,
- (2) 7.5 cents per therm for a two-year term of service, or
- (3) 7.0 cents per therm for a three-year term of service.

For Customers commencing service under this rate on or after March 1, 2014 or for existing customers whose contracts expired on or after February 28, 2014, the rate per therm shall be 8.0 cents per therm for 1, 2 and 3 year contract terms.

The applicable rate shall be reduced by 1.0 cent per therm for monthly usage in excess of 500,000 therms.

The Customer and the Company may agree upon a rate equal to or greater than 8.0 cents per therm for a term greater than three years, which, subject to the agreement of the parties, may or may not be subject to a 1.0 cent per therm reduction for usage in excess of 500,000 therms.

The pipeline fixed charge component and the local distribution charge may be discounted, at the sole discretion of the Company. During the months of April through October, pipeline fixed charges shall be discounted before the local distribution charge. During the months of November through March, the local distribution charge shall be discounted before the pipeline fixed charges.

The Company, subject to the terms set forth in the Company's Operating Procedures, will consider a request from a Customer that has an estimated annual gas usage of 3,000,000 therms or greater to negotiate a local distribution rate other than the local distribution rates set forth above. Any such negotiated rate will be fixed for a term of no less than three consecutive calendar months, provided however that the Customer will continue to be subject to the full minimum charge as set forth in Rate Provision (C) of this Service Classification.

If a Customer, not served under a negotiated local distribution rate, fails to provide the Company written notice of intent to continue Off-Peak Firm Service for a one, two or three-year term or to continue service under a different service classification, and service continues beyond the Primary term elected by the Customer, the Company shall charge the local distribution rate applicable to a one-year Primary Term for each successive one-year term until the Customer elects a different term.
