#### GENERAL INFORMATION

#### 14. Competitive Metering Option: (Cont'd.)

##### (g) Indemnity and Limitation on Liability:

##### i. Indemnification:

MSPs/MDSPs agree to indemnify, defend and save the Company harmless from and against any and all liabilities, losses, damages, costs, expenses, causes of action, suits, judgments and claims, including, but not limited to, reasonable attorneys fees and the costs of investigation, (collectively "claims"), in connection with any action, suit or proceeding by or on behalf of any person, firm, corporation or other entity arising from, caused by or relating to the (1) curtailment or interruption of services to the MSP/MDSP or its Qualified Customers, due to causes beyond the control of the Company (including, without limiting the generality of the foregoing, executive or administrative rules or orders issued from time to time by State or Federal officers, commissions, boards or bodies having jurisdiction) or (2) interruption, irregularity, failure or defective character of services to the MSP/MDSP, its Qualified Customers, due to causes beyond the control of the Company (including, without limiting the generality of the foregoing, executive or administrative rules or orders issued from time to time by State or Federal officers, commissions, boards or bodies having jurisdiction) or (3) failure by MSP/MDSP to perform any of the agreements, terms, covenants or conditions of the Competitive Metering Program to be performed by MSP/MDSP or (4) failure of MSP/MDSP to perform any agreement between MSP/MDSP and its Qualified Customers.

##### ii. Limitation on Liability:

The Company shall endeavor at all times to provide regular and uninterrupted service to the MSP/MDSP, its Qualified Customers, but in case the service shall be interrupted or irregular or defective or shall fail, from causes beyond the control of the Company (including, without limiting the generality of the foregoing, executive or administrative rules or orders issued from time to time by State or Federal officers, commissions, boards, or bodies having jurisdiction) or because of the ordinary negligence of the Company or its employees, servants or agents, the Company shall not be liable to the MSP/MDSP, its Qualified Customers, therefor. Compliance with directives of the NYISO shall, without limitation by reason of specification, constitute a circumstance beyond the control of the Company for which the Company shall not be liable; provided, however, that the Company shall not be absolved from any liability to which it may otherwise be subject for gross negligence or intentional wrongdoing in the manner in which it carries out the NYISO instructions.
