**GENERAL INFORMATION - Continued****III. General Rules, Regulations, Terms and Conditions under Which Gas Service Will Be Supplied, Applicable to and Made a Part of All Agreements for Gas Service - Continued****8. Metering and Billing – Continued****(W) AMR/AMI Meter Opt-Out**

Residential customers in one- to four-family homes that have, or are scheduled to have, automated meters installed by the Company on their premises may make a one-time election to opt out of an Automated Meter Reading equipped meter ("AMR meter") or an Advanced Metering Infrastructure equipped meter ("AMI meter") and, thereby, have their meters read manually, by submitting a completed AMR/AMI Meter Opt-out Application Form available on the Company's website, [www.coned.com](http://www.coned.com).

Customers who opt out of AMR/AMI metering will be subject to the following:

**(1) Meter Change Out Fee**

- a. A meter change out fee will apply per meter for a Customer who requests removal of the remote communications capability of an AMR/AMI meter at the costs specified in General Information Section IV.2, up to \$94.00 per meter, unless the Company did not notify the Customer in writing at least 30 days in advance of the AMR/AMI meter installation, in which case there will be no charge.
- b. Customers who opt out of AMR/AMI metering may elect to participate in AMR/AMI metering at a later date.

**(2) Manual Meter Reading Fee**

The Company will attempt to read the meters of Customers who opt out of AMR/AMI metering bi-monthly and render bills monthly, as described in General Information Section III.8.(D). The monthly bills will contain an incremental charge, per account, at half the charge specified in General Information Section IV.3.(b).

**(3) Access to Premises**

Customers who opt out of AMR/AMI metering and thereafter have two months of estimated bills in a 12-month period due to no access to the meter will be required to furnish, install, and maintain the facilities necessary to accept outdoor meter(s) or provide access to the Company to install, or re-install, as applicable, an AMR/AMI meter.
