RE: Case 16-G-0061- Con Edison's Gas Rate Case-RY 3

Dear Secretary Burgess:

Consolidated Edison Company of New York, Inc. (the "Company") is filing with the Public Service Commission (the "Commission") the following tariff leaf reflecting a revision to its Schedule for Gas Service, P.S.C. No. 9 – Gas ("Gas Tariff").

Leaf No. 228

Revision No. 28

Superseding No. 27

The Company's revised Leaf No. 228 is issued with an effective date of January 1, 2019.

Reason for Filing

On December 3, 2018, the Company filed tariff amendments ("December 3, 2018 Filing") to incorporate the rates for the third year of the Gas Rate Plan in compliance with the Commission's Order Approving Electric and Gas Rate Plans, issued and effective January 25, 2017, in Cases 16-E-0060, 16-G-0061, and 16-E-0196 (the "Order"). This filing is incorporating a further revision to Leaf No. 228 to update the rate shown as the Minimum Charge (per month).

Conclusion and Notice

The Company is requesting waiver of the requirement for newspaper publication for this tariff amendment since this filing is correcting one rate that was included in the December 3, 2018 Filing. The Company is currently providing newspaper publication of the tariff amendments related to the December 3, 2018 Filing and that newspaper publication mentioned the Minimum Charge at the updated rate. This filing will be provided to all parties to this proceeding.

Sincerely,

/s/ William A. Atzl, Jr.
Director
Rate Engineering Department
