RE: Case 16-G-0061 – Con Edison’s Gas Rate Case – RY3, Further Revisions Of A Housekeeping Nature

Dear Secretary Burgess:

Consolidated Edison Company of New York, Inc. (the “Company”) is filing with the Public Service Commission (the “Commission”) amendments to its Schedule for Gas Service, P.S.C. No. 9 – Gas (the “Gas Tariff”), applicable to its customers in the City of New York and the County of Westchester.

The tariff leaves filed herewith, which are identified in Appendix A, have an effective date of January 4, 2019.

Reason for Filing

This filing is being made to add further revisions of a housekeeping nature to tariff amendments related to the Company’s Rate Year (“RY”) 3 Gas Compliance Filing in Case 16-G-0061. The Company made filings related to said case on December 3, 2018 and December 20, 2018, to become effective January 1, 2019. The Company also filed tariff amendments on December 21, 2018 in compliance with a Commission Order in Case 17-M-0815, “Determining Rate Treatment of Tax Changes,” to become effective on January 1, 2019. This filing further revises tariff amendments made in Case 16-G-0061 to incorporate those changes recently approved in Case 17-M-0815.

Conclusion

The Company requests approval of these tariff changes on one days’ notice to become effective on January 4, 2019. These changes are required so that the Gas Tariff properly reflects the tariff amendments that were made in both cases. The Company respectfully requests waiver of newspaper publication because notice of the changes made in the filings mentioned above has already been published.

Sincerely,

/s/ William A. Atzl, Jr.
Director
Rate Engineering
