**RE: Case 18-G-0565, Tariff Filing by Consolidated Edison Company of New York,  
Inc. to Modify Its Gas Tariff Schedule, P.S.C. No. 9, Regarding the Interruptible  
Gas Service Program**

Dear Secretary Burgess:

Consolidated Edison Company of New York, Inc. (the “Company”) is filing with the Public Service Commission (the “Commission”) amendments to its Schedule for Gas Service, P.S.C. No. 9 – Gas, applicable to its customers in the City of New York and the County of Westchester.

The Tariff leaves, which are identified in Appendix A, have an effective date of January 1, 2019.

**Reason for Filing**

In accordance with the Commission’s Order Approving in Part Tariff Amendments, issued and effective December 14, 2018, in the above-referenced case, (the “Order”), the Company is filing further tariff modifications to eliminate the provision of automatically moving an Interruptible Gas Service customer that incurs two violations to Firm Service.

**Conclusion**

As directed by Ordering Clause 2 of the Order, these tariff modifications are being filed on or before December 27, 2018, to become effective on January 1, 2019. Ordering Clause 3 of the Order waives the requirements of Public Service Law §66 (12) (b) and 16 NYCRR §720-8.1 for the proposed changes.

Sincerely,

/s/ William A. Atzl, Jr.  
Director  
Rate Engineering
