Re: Statement of Other Charges and Adjustments to P.S.C. No. 12

Dear Secretary Burgess:

Consolidated Edison Company of New York, Inc. (the "Company") is filing the attached Statement of Other Charges and Adjustments ("OTH") as follows:

Statement of OTH No. 58 to P.S.C. No. 12 – Electricity

This Statement has an effective date of December 1, 2018.

The Company is filing this statement with the New York State Public Service Commission pursuant to Section (H) of "Additional Delivery Charges and Adjustments" of the Company's Schedule for PASNY Delivery Service, P.S.C. No. 12 – Electricity ("PASNY Tariff").

In this filing, the Company is adding the recovery of credits paid to customers served under the Value Stack Tariff under Rider R of the Company's Schedule for Electricity Service, P.S.C. No. 10 – Electricity ("Electric Tariff"). The amount of VDER Credits provided to customers is less than \$30,000,¹ which is recoverable from customers taking service under the Electric Tariff and the Power Authority of the State of New York ("PASNY") class. PASNY has been allocated its share of these charges based on the PASNY Allocation, as defined in Additional Delivery Charges and Adjustments – Section H of the PASNY Tariff. The PASNY amount of \$2,686 will be recovered in equal installments over the 12 month period effective December 2018 to November 2019.

Respectfully submitted,

/s/William A. Atzl, Jr.
William A. Atzl, Jr.
Director
Rate Engineering Department
