**Re: Case 10-G-0295—Petition of St. Lawrence Gas Company, Inc. for an Original Certificate of Public Convenience and Necessity Under Section 68 of the PSL for the Exercise of Gas Franchises of Numerous Municipalities in the Counties of Franklin and St. Lawrence**

Dear Secretary Burgess:

Consistent with Ordering Clause 1 (f) of the New York State Public Service Commission's (the "Commission") *Order Granting Amendment of Certificate of Public Convenience and Necessity*, issued on July 13, 2012 in the above-referenced proceeding (the "Order"), effective November 26, 2018, St. Lawrence Gas Company, Inc. (the "Company") ended the temporary surcharge it was previously charging customers in its expansion territory. To memorialize the conclusion of this temporary surcharge, the Company encloses for filing the following tariff leaves:

Fourth Revised Leaf No. 42  
Twelfth Revised Leaves No. 267 & 276  
Thirteenth Revised Leaf No. 261

PSC No. 3 – GAS  
Effective February 1, 2019

Since the memorialization of the conclusion of the aforementioned temporary surcharge is housekeeping in nature and has no negative impact on the Company's current expansion territory customers, the Company respectfully requests a waiver of the requirements of newspaper publication contained in Public Service Law § 66 (12) (b) and 16 NYCRR § 720-8.1. If there is anything further required to support the Company's request, please let me know.

Thank you for your continued attention to this matter.

Sincerely,

*/s/ Kimberly S. Baxter*
