RE: Case No. 18-E-0018 – In the Matter of Proposed Amendments to the New York State  
Standardized Interconnection Requirements (SIR) for Small Distributed Generators

ORDER MODIFYING STANDARDIZED INTERCONNECTION REQUIREMENTS

Dear Secretary Burgess:

The attached addendum, issued by Niagara Mohawk Power Corporation d/b/a National Grid (“Company”), is being transmitted for filing in compliance with the order issued October 18, 2018 by the New York State Public Service Commission (“Commission”) in the above case number (“Order”).

Addendum No. 9 – SIR

To P.S.C. No. 220 Electricity

Effective: November 2, 2018

This filing is being made in compliance with Ordering Clause No. 1 of the Order, which directed the utilities to make tariff filings to incorporate into their electric tariffs the revised Standard Interconnection Requirements and to remove any inconsistent tariff provisions. This tariff amendment is to become effective on not less than one day’s notice, to take effect on or before November 2, 2018.

Also per Ordering Clause No. 2 of the Order, the Company will post the revised Standard Interconnection Requirements to its Distributed Generation website no later than November 2, 2018.

In addition, per Ordering Clause No. 3 of the Order, the requirements of Public Services Law Section 66(12)(b) and 16 NYCRR Section 720-8.1 related to newspaper publication of these tariff amendments are waived.

Please advise the undersigned of any action taken regarding this filing.

Sincerely,

*/s/ Carol Teixeira*
