Re: Central Hudson Gas Bill Credit

Dear Secretary Burgess:

The statement set forth below is filed by Central Hudson Gas & Electric Corporation ("Central Hudson" or the "Company") on June 15, 2017 to become effective July 1, 2017.

P.S.C. No. 12 – Gas

Statement of Gas Bill Credit

GBC-3

Pursuant to Commission Order dated June 17, 2015 in Case 14-G-0319, a Gas Bill Credit ("GBC") was implemented effective July 1, 2015 to return to customers the regulatory liability remaining after the offset of various deferred balances. Although, the GBC statement filed herein no longer reflects a general gas bill credit for the twelve months ending June 30, 2018, pursuant to the aforementioned Order, to the extent that the Company received gas delivery revenues from the Danskammer Generating Station for the twelve months ending June 30, 2017, the bill credit does reflect 50% of those revenues in the twelve months ending June 30, 2018 resulting in approximately \$1.1 million returned to customers.

Yours very truly,

Anthony S. Campagiorni
