Re: Case 17-G-0175, Filing to Revise General Information Section
No. 13 – Form of Application for Service

Dear Secretary Burgess:

On March 24, 2017, Orange and Rockland Utilities, Inc. (the “Company”) filed amendments to its Schedule for Electric Service, P.S.C. No. 4 – Gas. This filing was made to revise General Information Section No. 13, Form of Application for Service. The proposed filing had an effective date of July 1, 2017. After discussions with Department of Public Service Staff (“Staff”), the Company agreed to postpone the effective date of the proposed gas tariff amendments to August 1, 2017 in order to allow time for additional review.

At the request of Staff, the Company is filing today to make minor revisions to certain tariff leaves filed on March 24, 2017 and to add an additional application for service to General Information Section No. 13. The tariff leaves are set forth in the Appendix to this letter and are issued June 16, 2017, to become effective August 1, 2017.

The Company requests waiver of the requirements for newspaper publication of these changes as they do not affect existing customers and all new customers or customers requesting upgraded service will be provided copies of the applications.

Questions regarding this filing can be directed to Cheryl Ruggiero at (212) 460-3189.

Very truly yours,

/s/
