**Re: Case No. 16-G-0257 – Tariff Compliance Filing
Proceeding on Motion of the Commission as to the Rates, Charges, Rules and
Regulations of National Fuel Gas Distribution Corp. for Gas Service**

Dear Secretary Burgess:

In compliance with Ordering Clause 3 of *Order Establishing Rates for Gas Service*, issued and effective on April 20, 2017 (“Rate Order”) in the above referenced case, National Fuel Gas Distribution Corporation (“Distribution” or the “Company”) submits revised tariff leaves for its tariff, P.S.C. No. 9 – GAS. The tariff leaves submitted in the instant filing, set forth in Attachment A, are issued as of today on not less than one day’s notice and have an effective date of May 1, 2017.

This is the third of several filings the Company anticipates in order to effectuate the provisions adopted by the Rate Order. The changes to Service Classification No. 9 - Low Income Customer Affordability Assistance Program (LICAAP) and General Information Section 0 – Leaf 119 - Low Income Service Tracker are responsive to the disposition of Low Income and Customer Service matters on pages 74-79 of the Rate Order. Addition of two new tariff leaves, Section 0 – Leaf 151 and Section 0 - Leaf 152, to the tariff General Information Section reflect incorporation of a new Section 51 - Communications Protocols For Demand Response Customers. This section corresponds to General Information Section 54 in the Company’s currently effective tariff, P.S.C. No. 8 – GAS, approved subsequent to the initial tariff filing of P.S.C. No. 9 – GAS on April 28, 2016. Other submitted tariff leaves, including those for Service Classification No. 2 - HEAP Residential Assistance Service, are non-substantive changes to the information lines in the header at the top of each page that indicate basic information about each page.

Consistent with Ordering Clause 6 of the Rate Order, the requirements of Section 66(12)(b) of the Public Service Law and 16 NYCRR Section 720-8.1 that newspaper publication be completed prior to the effective date of the proposed supplement is waived.
